Suicide is Painless

(tekst: Mike Altman; muziek: Johnny Mandel)

Through early morning fog I see visions of the things to be
The pains that are withheld for me I realize and I can see . . .
That suicide is painless it brings on many changes
And I can take or leave it if I please.

I try to find a way to make all our little joys relate
Without that ever-present hate but now I know that it's too late,
and . . . That suicide is painless it brings on many changes
And I can take or leave it if I please.

The game of life is hard to play. I'm gonna lose it anyway.
The losing card I'll someday lay so this is all I have to say.
That suicide is painless it brings on many changes
And I can take or leave it if I please.

The only way to win is cheat and lay it down before I'm beat,
and to another give my seat for that's the only painless feat.
That suicide is painless it brings on many changes
And I can take or leave it if I please.

The sword of time will pierce our skins it doesn't hurt when it begins
But as it works its way on in the pain grows stronger . . . watch it grin, but . . .
That suicide is painless it brings on many changes
And I can take or leave it if I please.

A brave man once requested me to answer questions that are key
'Is it to be or not to be' and I replied 'oh why ask me?'
That suicide is painless it brings on many changes
And I can take or leave it if I please.
And you can do the same thing if you choose.
